### Notes

There are likely multiple waves with the same colour race number, please pay close attention to the number range too on the final schedule. Arrival times are suggestions. Number collection will remain open for each wave right up to the start of each wave. Event Waves refers to the order the individual race waves will set off.

You can collect your number from the desks which respond to the Event Wave, not your race wave. For example, 10km wave 3 runners are in Event Wave 7, so will collect their numbers from desk 7, not desk 3. There is no on the day prize giving. Prize winners will be contacted the week of the race by email.
